For other breeds, check the LGRA website at www.lgra.org for registration information.

Although registering hounds on the day of the meet is permitted under the organizations' rules, it adds to the day-of-meet workload of the race secretary. Registering hounds with the appropriate national Registrar-Record Keepers in advance of the meet is encouraged and greatly appreciated.

If you must "Day of" register you hound, you must bring a copy (not original) of your hound's registration. Without it, you will not be able to run your hound in the official meet. No Exceptions!

Practice runs between programs as time permits: \$5 per dog for non members and \$2 for SCWA members.

Sprinter class is a separate class of racing for qualified whippets who are not running in the regular program. This includes dogs who do not measure in or would just like a few runs in competition.

To reach Irvine Regional Park, Exit the Newport Freeway (#55) at Chapman Ave. Drive east 5 miles to Jamboree. Left on Jamboree. The street ends at the park entrance.
