APPRECIATION

CCA wishes to thank Irvine Regional Park for their support of sighthound activities. This kind of event requires much help from everyone involved, from releasing hounds to retrieving hounds at the finish. Please make yourselves available to help with the successful running of this race meet.

IMPORTANT NOTICE

Please be aware that everyone who enters a hound will be expected to help out with the running of the race meet. That would include duties such as walking the lure back to the start finish, line judging, foul judging, walking hounds to the box, and helping to retrieve hounds at the finish.

Parking

Irvine Regional Park charges a \$5.00 Entry fee. Exhibitor parking is available beside the barn in the large gravel parking lot. Parking in the drive way is for the field committee members and meet workers only.

NOTE:

Irvine Park in Orange, California is a 491-acre park with convenient parking and restroom facilities nearby. **PLEASE NOTE the park is not fully fenced.**

WHAT IS LGRA?

LGRA is sprint racing for GazeHounds. The hounds run 200 yards straight after a lure consisting of a fur, bag and squawker. Up to four hounds race a total of three times, called programs. Depending on the order of finish, they may attain national points towards a GRC, Gazehound Race Champion title. Irish Wolfhounds & Scottish Deerhounds will be hand slipped. All other breeds will be boxed, if a box is available and all entrants within a breed fit comfortably into the box (to be determined by the race committee). Hounds need to be one year of age or older to be entered. They will also need to be registered with LGRA. This can be done the morning of the race meet by bringing a photocopy of the hound's registration along with a \$2 fee & the completed LRN application. After registration, your hound will receive a LGRA number that will be used in entering future LGRA meets. To receive further information, please contact John Skoglund, Race Secretary, at e-mail john@socalcoursing.org

Practice will be available
All hounds will run muzzled.
