Davalya & Sacre' Memorial Lure Coursing Saluki Continuum

This trophy is offered by Arnett & Jane Taylor, Khamsa Salukis, and Sharon Walls & Mark Heddleston, Obi-Wan Salukis, in memory of Terry Herbert, Davalya, and Tom Stoner, Sacre', for their contribution to salukis over the years.

The trophy is to be offered at the two day all sighthound lure coursing event in Southern California presented as a continuum for salukis. The continuum will be tallied as follows and the high score saluki at the end of the second day will be deemed the Davalya & Sacre' Memorial Lure Coursing Continuum Champion

All salukis entered in all stakes shall have their individual scores from preliminary and final runs tallied from both days. The addition of a placement point value for their individual placement in the stake entered will be added as well. The resultant high score at the end of the second day will be the winner of the continuum trophy.

The stake placement point values are as follows --

1st = 4 points

2nd = 3 points

3rd = 2 points

4th = 1 points

A sample of calculations are as follows (this is a sample of how the point will be calculated and does not include all placements for each stake). If there is a tie in the final score with placement points, a run off with all salukis tied for scores will be held and single stake entry ties will be run individually. If no time allows for run offs, all hounds tied will share the Continuum award title.

Name plates will be engraved and mounted along the sides with the winner's name and year. The continuum trophy will be awarded each year that the back to back all sighthound lure trials in the fall Southern California Coursing meet.
