**Time Slots**

- You must complete the time slot request portion of the Entry Form, including all 4 choices in numerical order preferred, for your entry to be complete.
- Time slots will be assigned by the Field Test Secretary in the order the entries were received.
- You will receive an email at the email address you provided on the Entry Form with your assigned time slot by February 26, 2024 at 6 PM. If you do not receive a time slot assignment email by February 26, 2024 at 6 PM, please email Jennifer at jennifergysler@gmail.com.

**Cancellations**

- You will receive a refund for your entry fees (minus any online transaction fee if applicable) **ONLY IF** the Field Secretary receives an email from you at jennifergysler@gmail.com before Wednesday, February 28 at 8 PM. Please include the following in your email:
  - Your first and last name
  - The dog's call name and breed
  - The test(s) you wish to cancel
  - Reason for cancellation

**General Information**

- Dogs must be one year of age or older on the day of the test.
- Dogs not present for roll call (check in) 15 minutes before your assigned time slot start time will be scratched. Bitches in season, lame dogs and dogs judged unfit to compete will be excused (with entry refunded minus online transaction fee if applicable). Spayed or neutered dogs may be entered. Roll call for field committee and workers will be prioritized.
- The Paddock Master will determine the run order for each time slot. Priority for field committee dogs running will be given to free them up to work the tests.
- The field committee reserves the right to alter the course plan as required by weather and/or field conditions on the day of the tests.
- The field committee reserves the right to bar known aggressive dogs from the event site.
- There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
- NO ONE will be allowed on the field without the express permission of the Field Chairman, except the appointed field committee.
- Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
- Control of dogs strictly enforced. Dogs must be on leash at all times, except when running.
- Clean up and dispose of all trash.
- Please pick up all dog feces and dispose of it properly.

**Important**

- Any person, upon reasonable complaint, may be asked to leave the grounds of the field trial by the Field Committee and may be disciplined by the AKC. Children must be under control of their parent(s) or guardian(s) at all times.
- OCRRC and its members will not be held responsible for any accidents at these tests.

**For First Time Coursers and Handlers**

- WHAT ARE PRE-ENTRIES? - Entries made before the closing date and time.
- WHAT ARE "DAY OF" ENTRIES? - Entries accepted after the closing date for pre-entries are considered Day of Entries. "Day of" entries are usually more expensive because the Field Test Secretary (FTS) must take extra time to add those entries to the record sheets the day of the test, which delays the start of the test.
- TIME SLOT – Dogs will run within a designated 1 hour time slot. This allows you to complete both test runs without waiting all day.
- COLLARS AND LEASHES – Your dog can run without a collar or wear a flat collar with nothing dangling from it. You can tape tags to the collar so they don't catch in the line. You need to have 2 leads with you: one for the Releaser and one for the Catcher.
  - There is a type of collar for coursing called a slip lead, which is worn only to control the dog prior to release. The collar drops away as the dog is released to chase the lure. If you choose to use a slip lead or have your dog run without a collar, be sure your catcher has a collar and lead to secure your dog at the finish line.
  - **NO PRONG COLLARS OR ELECTRONIC TRAINING COLLARS OF ANY TYPE ARE ALLOWED AT AKC EVENTS.**
- ROLL CALL - The time, prior to the commencement of running, by which you check in with the Field Test Secretary and have your dog ready for inspection by the Inspection Committee.
- INSPECTION - Dogs will be inspected by a designated Inspection Committee consisting of at least two persons who are members of the Field Committee and who shall inspect each entered dog for lameness, fitness to compete, female estrus (in season) and their height at the withers to determine their handicap. Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the Inspection Committee, any entry found to be lame, unfit to compete or in season shall not be allowed to enter and the applicable entry fees shall be refunded. After Roll Call and Inspection, the dogs passing inspection will be approved to run in the order assigned per time slot on the Run Order List.
- RUN ORDER - The Paddock Master will determine the order the dogs run in for each time slot. **Catchers should go to the finish line at least 3 runs ahead of their dog's run to prevent delays between runs. Catchers must collect the dog and leave on a leash as quickly and safely as possible.**
- RELEASER AND CATCHER – You must have someone to release and someone to catch your dog. It is your responsibility to arrange for assistance.
- WARM-UP, COOL-DOWN—It is highly recommended that all dogs running are walked out for about 10-15 minutes prior to and after their runs to get them warmed up and to

# OCRRC

cool them down. The cool-down is very important because it helps prevent lactic acid build-up in the muscles which leads to soreness.

### For All Handlers

- All entries must check in with the Field Test Secretary at the designated Field Secretary Tent and Table. You will receive your Run Slip and then proceed with your dog(s) to Inspection. Once your dog(s) pass Inspection, return to the designated parking area/open area until the Paddock Master calls for the entries in your time slot. Once your time slot is called to the designated Paddock area, please remain in the Paddock area with your dog(s) during your time slot until you finish both runs (tests). Your copy of the run slip with your dog's time recorded and a qualifying ribbon, if earned, will be given to the Releaser as they leave the chute after releasing your dog.

- WHAT MUST MY DOG DO TO PASS A Fast CAT? - Fast CAT, unlike the CAT, is not a pass/fail, but a timed 100 yard dash after a lure through a start gate and a stop gate. The time is converted to MPH and then multiplied by a potential handicap based on the dog's height to award points.

- MPH calculation:  $204.545 / (\text{time in seconds}) = \text{MPH}$

- AKC points calculation:  $\text{MPH} * \text{handicap} = \text{AKC points earned for run}$

- CAN MY DOG EARN AN AKC TITLE FOR Fast CAT?- Titles are earned by accumulating points. These suffix titles will appear on a dog's pedigree, with a higher level title superseding a lower level title.

The following titles will be awarded by AKC:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT followed by a number (e.g. FCAT2) for every additional 500 points.

- ALL DOGS RUN AT OWNER'S SOLE RISK**

### AWARDS

- Each dog with a qualifying run will receive a Qualifying Course ribbon.

- Title Ribbons will be available at the Secretary's desk

OCRRC **does not** agree to arbitrate claims as set forth in the AKC Entry form which accompanies this premium.

**Exhibitors should refrain from talking to the lure operator or telling the lure operator how to lure operate.**
